TRUST CERTIFICATES AND ISSUANCE THEREOF.

SECTION 2.1. The net proceeds (excluding premium and accrued dividends, if any) of the sale of any of the Trust Certificates shall forthwith upon issuance thereof be deposited in cash with the Trustee. At the same time the Company shall, if necessary, deposit with the Trustee any advance rental payable by the Company to the Trustee under Section 4.4(A)(1) hereof. Thereupon, without waiting for the recording or filing of this Agreement or of any other instrument respecting the Trust Equipment, the Trustee shall issue and deliver, as the Company shall direct by Request, Trust Certificates substantially in the

forms set forth herein, and in the aggregate principal amount so sold, bearing dividends at the rate specified in such Request. Any premium and accrued dividends received upon the sale of the Trust Certificates shall forthwith be paid to the Company.

The aggregate principal amount of Trust Certificates which shall be executed and delivered by the Trustee hereunder shall not exceed the sum of \$9,270,000, except as provided in Section 2.6 hereof.

The due date of each Trust Certificate shall appear upon its face. The Trust Certificates with dividend warrants shall be in the denomination of \$1,000 each and shall be numbered from 1 consecutively upward. The fully registered Trust Certificates shall be in denominations of \$1,000 and any multiple of \$1,000, and shall be numbered from R1 consecutively upward.

The principal amount of the Trust Certificates shall become due in 15 equal annual installments payable serially on the first day of June in each year beginning June 1, 1971, and ending June 1, 1985.

Dividend warrants evidencing the rights of the bearers thereof to the dividends on the Trust Certificates with dividend warrants shall be annexed to such Trust Certificates.

SECTION 2.3. The Trust Certificates, the dividend warrants to be annexed to the Trust Certificates with dividend warrants, and the guaranty to be endorsed on the Trust Certificates by the Company as hereinafter in Section 6.2 hereof provided shall be in substantially the forms hereinbefore set forth.

In case any officer of the Trustee whose signature, whether facsimile or not, shall appear on any of the Trust Certificates or on the dividend warrants shall cease to be such officer of the Trustee before the Trust Certificates or dividend warrants shall have been issued and delivered by the Trustee, such Trust Certificates and dividend warrants shall be adopted by the Trustee and be issued and delivered as though such person had not ceased to be such officer of the Trustee. Before executing or delivering any Trust Certificate with dividend warrants, the Trustee shall detach and cancel all matured dividend warrants, if any, thereto appertaining (other than dividend warrants for any period for which dividends are in default on outstanding Trust Certificates).

SECTION 2.5. Fully registered Trust Certificates may be exchanged for a like aggregate principal amount of Trust Certificates with dividend warrants of the same maturity and dividend rate, having all unmatured dividend warrants attached, or for a like aggregate principal amount of fully registered Trust Certificates of the same maturity and dividend rate, of authorized denominations, and Trust Certificates with dividend warrants may be exchanged for a like aggregate principal amount of fully registered Trust Certificates of the same maturity and dividend rate, of authorized denominations. The Trust Certificates to be exchanged shall be surrendered at the corporate trust office of the Trustee in the Borough of Manhattan, City and State of New York. All Trust Certificates with dividend warrants surrendered for exchange shall have attached all unmatured dividend warrants appertaining thereto, and, in case at the time of any such exchange dividends on the Trust Certificates are in default, they shall in addition have attached all matured dividend warrants in default appertaining thereto.

The Trust Certificates with dividend warrants shall be payable to bearer, or to the registered holder if registered as to principal in the manner as hereinafter provided; shall be transferable by delivery unless registered as to principal as herein provided; and shall be dated as of June 1, 1970.

The fully registered Trust Certificates shall be registered, as to both principal and dividends, in the name of the holder; shall be transferable upon presentation and surrender thereof for transfer at the corporate trust office of the Trustee in the Borough of Manhattan, City and State of New York, accompanied by appropriate instruments of assignment and transfer, duly executed by the registered holder of the surrendered Trust Certificate or Certificates or by duly authorized attorney, in form satisfactory to the Trustee; and shall be dated as of June 1, 1970, or the dividend payment date to which dividends shall have been paid, next preceding or coinciding with the date of issue, whichever is later, and shall entitle the registered holder to dividends from the date thereof.

The Trust Certificates with dividend warrants shall be negotiable and shall pass by delivery unless registered as to principal in the manner hereinafter provided. Any of the Trust Certificates with dividend warrants may be registered as to the principal thereof in the name of the holder at the corporate trust office of the Trustee in the Borough of Manhattan, City and State of New York, and such registration shall be noted on the Trust Certificate by the Trustee. Thereafter no transfer thereof shall be valid unless made at said office of the Trustee by the registered holder thereof in person, or by his duly authorized attorney, and similarly noted thereon; but the same may be discharged from registration and transferred to bearer as before. No registration, however, shall affect the dividend warrants, but every such dividend warrant shall continue to be transferable with the same effect as in the case of a negotiable instrument payable to bearer, by delivery thereof by any person in possession of the same, howsoever such possession may have been acquired.

Anything to the contrary herein notwithstanding, the parties hereto may deem and treat the bearer of any unregistered Trust

Certificate and the bearer of any dividend warrant as the absolute owner of such Trust Certificate or dividend warrant, as the case may be, for the purpose of receiving payment thereof and for all other purposes, and shall not be affected by any notice to the contrary. The parties hereto may deem and treat the registered holder of any fully registered Trust Certificate or of any Trust Certificate with dividend warrants, registered as to principal, as the case may be, as the absolute owner of such Trust Certificate for all purposes except, in the case of Trust Certificates with dividend warrants, payment of dividends, and shall not be affected by any notice to the contrary.

For any registration, transfer, exchange, or discharge from registration the Trustee may, and upon Request shall, require the payment of a sum sufficient to cover reimbursement for any stamp tax or other governmental charge connected therewith. The Trustee may also, and upon Request shall, require payment of a sum not exceeding \$5.00 for each new Trust Certificate issued on an exchange, other than the first exchange of each originally issued Trust Certificate.

Each Trust Certificate delivered, pursuant to any provision of this Agreement, in exchange or substitution for, or upon the transfer of, the whole or any part of one or more other Trust Certificates shall carry all the rights to dividends accrued and unpaid, and to accrue, which were carried by the whole or such part of such one or more other Trust Certificates, and, notwithstanding anything contained in this Agreement, such Trust Certificate shall be so dated, or have attached thereto such dividend warrants, that neither gain nor loss in dividends shall result from such exchange, substitution, or transfer.

The Trustee shall not be required to issue, register, transfer, or exchange Trust Certificates for a period of ten days next preceding any dividend payment date.

SECTION 2.6. In case any Trust Certificate, or the dividend warrants, if any, thereto appertaining, shall become mutilated or defaced or be lost, stolen, or destroyed, then on the terms herein set forth, and not otherwise, the Trustee, upon Request,

shall execute and deliver a new Trust Certificate, and the Company shall execute its guaranty thereon, with all unmatured dividend warrants appertaining thereto, if a Trust Certificate with dividend warrants, of like maturity, dividend rate, tenor, and date, and bearing the same serial number as the one mutilated, defaced, lost, stolen, or destroyed, in exchange and substitution for, and upon cancellation of, the mutilated or defaced Trust Certificate and dividend warrants, or in lieu of or in substitution for the same if lost, stolen, or destroyed, and shall make payment of any matured and unpaid dividend warrants appertaining to the same. The applicant for a new Trust Certificate shall furnish to the Trustee and to the Company evidence to their satisfaction of the mutilation, defacement, loss, theft, or destruction of such Trust Certificate and dividend warrants, if any, alleged to have been lost, stolen, or destroyed, and of the ownership and authenticity of such mutilated, defaced, lost, stolen, or destroyed Trust Certificate and dividend warrants, and also such security and indemnity as may be required by the Trustee and by the Company in their discretion; and shall pay all expenses and charges of such substitution or exchange. All Trust Certificates shall be issued, held, and owned upon the express condition that the foregoing provisions are exclusive in respect of the replacement of mutilated, defaced, lost, stolen, or destroyed Trust Certificates and dividend warrants, and shall preclude any and all other rights and remedies, any law or statute now existing or hereafter enacted to the contrary notwithstanding.

ARTICLE IV.

LEASE OF TRUST EQUIPMENT TO THE COMPANY.

SECTION 4.1. The Trustee does hereby let and lease to the Company, for the term of 15 years from and after June 1, 1970, all the Trust Equipment.

SECTION 4.2. In the event that the Company shall, as provided in Sections 3.1 and 3.4 or Section 4.9 hereof, cause to be constructed and transferred to the Trustee other Equipment in addition to or in substitution for any of the Equipment herein specifically described, such other Equipment shall be included as part of the Trust Equipment by supplement hereto and shall be subject to all the terms and conditions hereof in all respects as though it had been part of the Trust Equipment herein specifically described. Any and all additions to, and replacements of parts of, the Trust Equipment shall constitute accessions to the Trust Equipment and shall be subject to all the terms and conditions hereof in all respects and included in the term "Trust Equipment" as used herein.

SECTION 4.3. As and when any Equipment shall from time to time be transferred and delivered to the Company as agent for the Trustee, the same shall, *ipso facto*, and without further instrument of lease or transfer, pass under and become subject to all the terms and provisions hereof.

SECTION 4.4. The Company hereby accepts the lease of all the Trust Equipment, and covenants and agrees to accept delivery and possession hereunder of the Trust Equipment as hereinbefore provided; and the Company covenants and agrees to pay to the Trustee at its corporate trust office in the Borough of Manhattan, City and State of New York (or, in the case of taxes, to the proper taxing authority), in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, rental hereunder which shall be sufficient to pay and discharge the following items, when and as the same shall become due and payable (whether or not any of such items shall become due and payable prior to the delivery and lease to the Company of any of the Trust Equipment):

(A) The Company shall pay to the Trustee, as hereinafter provided, as advance rental hereunder, sums which in the aggregate shall be equal to the difference between the aggregate Cost of the Trust Equipment (other than Trust Equipment subjected hereto pursuant to Section 4.9 hereof) and the portion of such Cost to be provided out of the net proceeds (excluding premium and accrued dividends, if any) of the sale of the Trust Certificates, the intention being that, when all such Trust Equipment shall have been delivered to the Company as agent for the Trustee, the Company shall have paid or shall pay to the Trustee, as advance rental hereunder, a sum equal to the amount by which the aggregate Cost of such Trust Equipment exceeds such net proceeds of the sale of the Trust Certificates. The Company agrees to pay such advance rental as follows:

(1) At the time of each issue of Trust Certificates a sum which, when added to such net proceeds (excluding premium or accrued dividends, if any) of the sale of the Trust Certificates deposited with the Trustee, will make the total sum deposited equal the principal amount of the Trust Certificates so issued; and

(2) Upon delivery of any of such Trust Equipment a sum equal to the portion of the Cost of such delivered Trust Equipment not paid out of Deposited Cash as provided for in Section 3.2 hereof, but not less than 20% of such Cost.

(B) In addition to such advance rental the Company shall pay to the Trustee, as hereinafter provided, as rental for the Trust Equipment, and whether or not at the time any thereof shall have been delivered to the Company, the following:

(1) (a) The necessary and reasonable expenses of the trust hereby created, including compensation and expenses provided for herein; and (b) an amount equal to any expenses incurred or loss of principal (including interest accrued thereupon at time of purchase) in connection with any purchase, sale, or redemption by the Trustee of Government Securities;

(2) Any and all taxes, assessments, and governmental charges upon or on account of the income or property of the trust, or of this Agreement, which the Trustee as such may be required to pay;

(3) (a) The amounts of the dividends payable on the Trust Certificates (whether or not evidenced by dividend warrants), when and as the same shall become payable; and (b) interest at the dividend rate or rates, respectively, specified in the Trust Certificates, from the due date, upon the amount of any installments of rental payable under this subparagraph (3) and the following subparagraph (4) which shall not be paid when due, to the extent legally enforceable; and

(4) The principal of the Trust Certificates, when and as the same shall become payable, whether upon the stated dates of maturity thereof or otherwise under the provisions thereof or of this Agreement.

Nothing herein or in the Trust Certificates contained shall be deemed to impose on the Trustee or on the Company any obligation to pay to the holder of any Trust Certificate or dividend warrant any tax, assessment, or governmental charge required by any present or future law of the United States of America or

of any State, County, municipality, or other taxing authority thereof to be paid in behalf of, or withheld from the amount payable to, the holder of any Trust Certificate or dividend warrant. The Company shall not be required to pay any tax, assessment, or governmental charge so long as it shall in good faith and by appropriate legal proceedings contest the validity thereof, unless in the judgment of the Trustee the rights or interests of the Trustee or of the holders of the Trust Certificates or dividend warrants may be materially endangered thereby.

SECTION 4.5. At the termination of the lease provided herein and after all payments due or to become due from the Company hereunder shall have been completed and fully made to the Trustee, (1) such payments shall be applied and treated as purchase money and as the full purchase price of the Trust Equipment, (2) any moneys remaining in the hands of the Trustee after providing for all outstanding Trust Certificates and dividend warrants and after paying the expenses of the Trustee, including its reasonable compensation, shall be paid to the Company, (3) title to all the Trust Equipment shall vest in the Company, and (4) the Trustee shall execute for record in public offices, at the expense of the Company, such instrument or instruments in writing as reasonably shall be requested by the Company in order to make clear upon public records the Company's title to all the Trust Equipment under the laws of any jurisdiction; *provided, however*, that until that time title to the Trust Equipment shall not pass to or vest in the Company, but title to and ownership of all the Trust Equipment shall be and remain in the Trustee, notwithstanding the delivery of the Trust Equipment to and the possession and use thereof by the Company.

Any moneys in the hands of the Trustee for the payment of outstanding Trust Certificates and dividend warrants remaining unclaimed for six years after the date when the last annual installment of principal payable on the Trust Certificates becomes due and payable shall be repaid by the Trustee to the Company upon Request and thereafter any rights of such holders of Trust

Certificates and dividend warrants in respect of which such moneys shall have been held by the Trustee shall be enforceable only against the Company.

SECTION 4.6. The Company agrees that at or before the delivery to the Company of each unit of the Trust Equipment there shall be plainly, distinctly, permanently, and conspicuously marked in stencil or otherwise on each side of such unit the following words in letters not less than one inch in height:

CHESAPEAKE AND OHIO RAILWAY SECOND EQUIPMENT TRUST OF
1970, MANUFACTURERS HANOVER TRUST COMPANY,
TRUSTEE, OWNER, LESSOR.

Such marks shall be such as to be readily visible and as to indicate plainly the Trustee's ownership of each unit of the Trust Equipment. In case, prior to the termination of the lease provided for herein, any of such marks shall at any time be removed, defaced, or destroyed, the Company shall immediately cause the same to be restored or replaced. The Company shall not change, or permit to be changed, the numbers of any of the Trust Equipment at any time covered hereby (or any numbers which may have been substituted as herein provided) except in accordance with a statement of new numbers to be substituted therefor which shall previously have been filed with the Trustee by the Company and duly filed and recorded in accordance with Section 6.4 hereof.

The Trust Equipment may be lettered "Chesapeake and Ohio Railway", "Chesapeake and Ohio", or "C & O", or may be lettered with the name or initials of any Affiliate which is permitted to use the Trust Equipment as herein provided, or in some other appropriate manner, for convenience of identification of the leasehold interest of the Company therein. During the continuance of the lease provided for herein, the Company shall not allow the name of any person, association, or corporation to be placed on any of the Trust Equipment as a designation which might be interpreted as a claim of ownership thereof by the Company or by any person, association, or corporation other than the Trustee.

SECTION 4.7. The Company agrees that it will maintain and keep all the Trust Equipment in good order and proper repair at its own cost and expense, unless and until worn out, unsuitable for use, lost, or destroyed. Whenever any of the Trust Equipment shall become worn out, unsuitable for use, lost, or destroyed, the Company shall forthwith deliver to the Trustee an Officer's Certificate describing such Trust Equipment and stating the then Fair Value thereof and shall, subject to the provision in Section 4.9 hereof for application of any credit resulting from a prior acquisition of additional Equipment, deposit with the Trustee an amount in cash equal to such Fair Value. The rights and remedies of the Trustee to enforce or to recover any of the rental payments shall not be affected by reason of such wearing out, unsuitability for use, loss, or destruction. Cash deposited with the Trustee pursuant to this Section 4.7 shall be held and applied as provided in Section 4.9 hereof.

The Company covenants and agrees to furnish to the Trustee, whenever required by the Trustee, and at least once in every calendar year following the calendar year in which occurs the first delivery of any of the Trust Equipment and during the continuance of the lease provided for herein, an Officer's Certificate stating (1) the amount, description, and numbers of the Trust Equipment then covered hereby and showing the Trust Equipment then in actual service, (2) the amount, description, and numbers of all that may have become worn out or that may have become unsuitable for use or lost or destroyed by accident or otherwise since the date of the last preceding statement (or the date of this Agreement in the case of the first statement), (3) the amount, description, and numbers of all then undergoing repairs, other than running repairs, or then withdrawn from use for such repairs, and stating that in the case of all the Trust Equipment repainted or repaired since the date of the last preceding statement (or the date of this Agreement in the case of the first statement), the marks required by Section 4.6 hereof have been preserved, or that the same when repainted or repaired have been again marked as required thereby, and

(4) such other information as to the condition and state of repair of the Trust Equipment as the Trustee may reasonably request. The Trustee, by its agents, shall have the right once in each calendar year, but shall be under no duty, to inspect, at the Company's expense, the Trust Equipment, and the Company covenants in that event to furnish to the Trustee all reasonable facilities for the making of such inspection.

SECTION 4.8. The Company, so long as it is not in default hereunder, shall be entitled to the possession of the Trust Equipment from and after delivery thereof to the Company, and the use thereof upon the lines of railroad owned or operated by the Company (either alone or jointly with another) or by any Affiliate, or upon lines over which the Company or any Affiliate shall have trackage or other operating rights, and the Company shall also be entitled to permit the use of the Trust Equipment upon connecting and other railroads in the usual interchange of traffic and upon connecting and other railroads over which through service may from time to time be afforded, but only upon and subject to all the terms and conditions of this Agreement.

The Company shall not, without the written consent of the Trustee first had and obtained, assign or transfer its rights hereunder, or transfer or sublet the Trust Equipment or any part thereof, except to an Affiliate (and then only subject to this Agreement and without releasing the Company from its obligations hereunder); and the Company shall not, without such written consent, except as provided in this Section 4.8, part with the possession of, or suffer or allow to pass out of its possession or control, any of the Trust Equipment. An assignment or transfer to a railroad company or other purchaser which shall acquire all or substantially all of the lines of railroad of the Company, and which, by execution of an appropriate instrument satisfactory to the Trustee, shall assume and agree to perform each and all of the obligations and covenants of the Company hereunder and under the guaranty endorsed on the Trust Certificates, shall not be deemed a breach of this covenant. The ap-

pointment of a receiver or receivers in equity or reorganization or a trustee or trustees in bankruptcy or reorganization for the Company or for its property shall not be deemed an unauthorized assignment if, prior to any action by the Trustee to exercise the remedies herein provided, such receiver or receivers or trustee or trustees shall be discharged or such receiver or receivers or trustee or trustees shall, pursuant to court order or decree, in writing duly assume and agree to pay or perform each and all of the obligations and covenants of the Company hereunder and under the guaranty endorsed on the Trust Certificates, in such manner that such obligations shall have the same status as obligations incurred by such receiver or receivers or trustee or trustees. The Trustee shall have the right to declare the lease provided for herein terminated in case of any unauthorized assignment or transfer of its rights hereunder or in case of any unauthorized transfer or sublease of any of the Trust Equipment. The election of the Trustee to terminate the lease provided for herein shall have the same effect as the retaking of the Trust Equipment by the Trustee as hereinafter provided.

SECTION 4.9. Any units of the Trust Equipment which shall have become worn out or unsuitable in any respect for the use of the Company may be released, and it is hereby mutually agreed that at any time hereafter until title thereto shall become vested in the Company the Trustee will release any such units of the Trust Equipment upon the filing with it of a Request and an Officer's Certificate which shall describe such units, shall state that they have become worn out or unsuitable for the use of the Company, shall state the selling price thereof, and shall specify the Cost and the then Fair Value thereof. No such release shall be made unless and until the Company shall have paid to the Trustee such selling price or Fair Value, whichever shall be greater; subject, however, to the provision in this Section 4.9 for application of any credit resulting from a prior acquisition of additional Equipment.

Any moneys paid to the Trustee pursuant to this Section 4.9 or Section 4.7 hereof, hereinafter called "Replacement Funds",

shall be received and held by the Trustee in trust hereunder pending delivery of additional Equipment; *provided, however*, that if at any time such Replacement Funds shall exceed the total amount of the remaining installments of rental payable by the Company to the Trustee under subparagraphs (3)(a) and (4) of Section 4.4(B) hereof, and if at the time there shall be no default under the terms of this Agreement or of any supplement hereto, the Trustee shall upon Request pay the amount of such excess to the Company. Upon the filing with it of a Request and an Officer's Certificate, which shall specify the kind and number of units of Equipment to be purchased and the Cost thereof, such Replacement Funds shall, upon receipt by the Trustee of Officer's Certificates, bills of sale, invoices, and Opinions of Counsel, all in like manner as provided in Section 3.4 hereof, be applied to the purchase of such Equipment.

If the Cost of such additional Equipment shall be in excess of such Replacement Funds, then such excess, less depreciation thereon calculated in the manner provided in the definition of "Fair Value" contained in Article I hereof, shall constitute a credit toward any further replacement of any Trust Equipment which thereafter may become worn out, unsuitable for use, lost, or destroyed.

SECTION 4.10. The Company covenants and agrees to indemnify the Trustee against any and all claims arising out of or connected with the ownership or use of any of the Trust Equipment, and particularly against any and all claims arising out of the use of any patented inventions in and about the Trust Equipment, and to comply in all respects with the laws of the United States of America and of all the States thereof and of Canada and of all the Provinces thereof in which the Trust Equipment, or any thereof, may be operated, and with all lawful acts, rules, regulations, and orders of the Interstate Commerce Commission, the Department of Transportation, and of all other commissions, boards, and other legislative, executive, administrative, or judicial bodies or officers having power to regulate or supervise any of the Trust Equipment, including without limitation all lawful

acts, rules, regulations, and orders of any body having competent jurisdiction relating to automatic coupler devices or attachments, air brakes, or other appliances; *provided, however*, that the Company may in good faith contest the validity of any such law, act, rule, regulation, or order, or the application thereof to the Trust Equipment or any part thereof, in any reasonable manner which will not in the judgment of the Trustee materially endanger the rights or interests of the Trustee or of the holders of the Trust Certificates or dividend warrants. The Company shall not be relieved from any of its obligations hereunder by reason of the assertion or enforcement of any such claims or the commencement or prosecution of any litigation in respect thereof.

ARTICLE V.

REMEDIES IN EVENT OF DEFAULT.

SECTION 5.1. The Company covenants and agrees that in case

(a) the Company shall default in the payment of any part of the rental payable hereunder (including advance rental) for more than ten (10) days after the same shall have become due and payable, or

(b) the Company shall make or suffer any unauthorized assignment or transfer of its rights hereunder or shall make any unauthorized transfer or sublease of any of the Trust Equipment, or, except as herein authorized, shall part with the possession of any of the Trust Equipment, and shall fail or refuse either to cause such assignment, transfer, or sublease to be cancelled by agreement of all parties having any interest therein and recover possession of such Trust Equipment within thirty (30) days after the Trustee shall have demanded in writing such cancellation and recovery of possession, or within said thirty (30) days to deposit with the Trustee a sum in cash equal to the Fair Value of the Trust Equipment so assigned or transferred or subleased or the possession of which shall have been parted with otherwise than as herein authorized (any sum so deposited to be returned to the Company upon the cancellation of such as-

signment, transfer, or sublease and the recovery of possession by the Company of such Trust Equipment), or

(c) the Company shall, for more than ninety (90) days after the Trustee shall have demanded in writing performance thereof, fail or refuse to comply with any other of the terms and covenants hereof on its part to be kept and performed, or to make provision satisfactory to the Trustee for such compliance,

then, in any such case (herein sometimes called an event of default), the Trustee in its discretion may, and upon the written request of the holders of not less than 25% in principal amount of the then outstanding Trust Certificates shall, by notice in writing delivered to the Company, declare to be due and payable forthwith the entire amount of the rentals (including any unpaid advance rental, but not including rentals required for the payment of dividends accruing after the date of such declaration) payable by the Company as set forth in Section 4.4 hereof and not theretofore paid, whereupon the entire amount of such rentals shall forthwith become and shall be due and payable immediately without further demand, together with interest, to the extent legally enforceable, at the dividend rate or rates, respectively, specified in the Trust Certificates, on any portion thereof overdue; and the Trustee shall be entitled to recover judgment for the total amount so becoming payable by the Company, together with interest thereon, to the extent legally enforceable, at the dividend rate or rates, respectively, specified in the Trust Certificates, and to collect such judgment out of any property of the Company wherever situated. Any and all moneys so collected by the Trustee shall be applied by it as hereinafter in Section 5.3 hereof provided.

In addition, in case one or more of the events of default described in this Section 5.1 shall happen, the Trustee in its discretion may, and upon the written request of the holders of not less than 25% in principal amount of the then outstanding Trust Certificates shall, by notice in writing delivered to the Company, declare the principal of all the Trust Certificates then outstanding to be due and payable, and thereupon the same shall become and be immediately due and payable.

SECTION 5.2. In case of the happening of any such event of default, the Trustee may by its agents enter upon the railroad and premises of the Company and of any Affiliate and take possession of all or any part of the Trust Equipment and withdraw the same from said railroad and premises, retaining all payments which up to that time may have been made on account of rental for the Trust Equipment and otherwise, and shall be entitled to collect, receive, and retain all unpaid *per diem*, mileage, or other charges of any kind earned by the Trust Equipment or any part thereof, and may lease the Trust Equipment or any part thereof, or with or without retaking possession thereof (but only after making the declaration or declarations provided for in Section 5.1 hereof) may sell the same or any part thereof, free from any and all claims of the Company at law or in equity, in one lot and as an entirety or in separate lots, insofar as may be necessary to perform and fulfill the trust hereunder, at public or private sale, for cash or upon credit, in its discretion, and may proceed otherwise to enforce its rights and the rights of the holders of interests hereunder in the manner herein provided. Upon any such sale, the Trustee itself may bid for the property offered for sale or any part thereof. Any such sale may be held or conducted at such place and at such time as the Trustee may specify, or as may be required by law, and without gathering at the place of sale the Trust Equipment to be sold, and in general in such manner as the Trustee may determine, but so that the Company may and shall have a reasonable opportunity to bid at any such sale. Upon such taking possession or withdrawal or lease or sale of the Trust Equipment, the Company shall cease to have any rights or remedies in respect of the Trust Equipment hereunder, but all such rights and remedies shall be deemed thenceforth to have been waived and surrendered by the Company, and no payments theretofore made by the Company for the rent or use of the Trust Equipment or any of it shall, in case of the happening of any such event of default and such taking possession, withdrawal, lease, or sale by the Trustee, give to the Company any legal or equitable interest or title in or to the Trust Equipment or any of it or any cause or right of action at law or in equity in respect of the Trust

Equipment against the Trustee or the holders of interest hereunder. No such taking possession, withdrawal, lease, or sale of the Trust Equipment by the Trustee shall be a bar to the recovery by the Trustee from the Company of rentals then or thereafter due and payable, and the Company shall be and remain liable for the same until such sums shall have been realized as, with the proceeds of the lease or sale of the Trust Equipment, shall be sufficient for the discharge and payment in full of all the items mentioned in Section 4.4 hereof (other than dividends or interest not then accrued), whether or not they shall have then matured. The holders of a majority in principal amount of the then outstanding Trust Certificates shall have the right from time to time, if and when the Trustee shall have been indemnified as provided in Section 7.4 hereof, to direct which of the proceedings above provided for shall be taken for the enforcement of the remedies contained herein.

SECTION 5.3. If, in case of the happening of any such event of default, the Trustee shall exercise any of the powers conferred upon it by Sections 5.1 and 5.2 hereof, all payments made by the Company to the Trustee hereunder after such event of default, and the proceeds of any judgment collected from the Company by the Trustee hereunder, and the proceeds of every sale or lease by the Trustee hereunder of any of the Trust Equipment, together with any other sums which may then be held by the Trustee under any of the provisions hereof (other than sums held in trust for the payment of specific Trust Certificates and/or dividends) shall be applied by the Trustee to the payment in the following order of priority: (a) of all proper charges, expenses, or advances made or incurred by the Trustee in accordance with the provisions of this Agreement, and (b) of the dividends then due, and of the principal of all the outstanding Trust Certificates whether such Trust Certificates shall have then matured by their terms or not, with interest at the rate or rates, respectively, specified in the Trust Certificates, on overdue dividends and on principal from the last preceding dividend payment date to the extent legally enforceable, all such payments to be in full if such

proceeds shall be sufficient, and if not sufficient, then *pro rata* without preference between principal and dividends.

After all such payments shall have been made in full, the title to any of the Trust Equipment remaining unsold shall be conveyed by the Trustee to the Company free from any further liabilities or obligations to the Trustee hereunder. If after applying all such sums of money realized by the Trustee as aforesaid there shall remain any amount due to the Trustee under the provisions hereof, the Company agrees to pay the amount of such deficit to the Trustee. If after applying as aforesaid the sums of money realized by the Trustee there shall remain a surplus in the possession of the Trustee, such surplus shall be paid to the Company.

SECTION 5.4. If at any time after the principal of all the Trust Certificates shall have been declared and have become due and payable, or if at any time after the entire amount of rentals shall have been declared and become due and payable, all as in Section 5.1 hereof provided, but before June 1, 1985, all arrears of rent (with interest at the dividend rate or rates, respectively, specified in the Trust Certificates, upon any overdue installments to the extent legally enforceable), the expenses and reasonable compensation of the Trustee, together with all expenses of the trust occasioned by the Company's default, and all other sums which shall have become due and payable by the Company hereunder (other than the principal of Trust Certificates and any other rental installments which shall not at the time have matured according to their terms) shall be paid by the Company before any sale or lease by the Trustee of any of the Trust Equipment, and every other default in the observance or performance of any covenant or condition hereof shall be made good or secured to the satisfaction of the Trustee, or provision deemed by the Trustee to be adequate shall be made therefor, then, and in every such case, the Trustee, if so requested by the holders of a majority in principal amount of the Trust Certificates then outstanding and which shall not have matured (other than by declaration) according to their terms, shall by written notice to

the Company waive the default by reason of which there shall have been such declaration or declarations and the consequences of such default, but no such waiver shall extend to or affect any subsequent default or impair any right consequent thereon.

SECTION 5.5. No retaking of possession of the Trust Equipment by the Trustee, or any withdrawal, lease, or sale thereof, nor any action or failure or omission to act against the Company or in respect of the Trust Equipment, on the part of the Trustee or on the part of the holder of any Trust Certificate or dividend warrant, nor any delay or indulgence granted to the Company by the Trustee or by any such holder, shall affect the obligations of the Company hereunder or under the guaranty endorsed on the Trust Certificates. The Company hereby waives presentation and demand in respect of any of the Trust Certificates and dividend warrants and waives notice of presentation, of demand, and of any default in the payment of the principal of and dividends upon the Trust Certificates. The Trustee may at any time upon notice in writing to the Company apply to any court of competent jurisdiction for instructions as to the application and distribution of the property held by it.

SECTION 5.6. In case the Trustee shall demand possession of the Trust Equipment pursuant to the provisions hereof, and shall reasonably designate a point or points upon the railroad of the Company or of any Affiliate for the delivery of the Trust Equipment to it, the Company shall at its own expense forthwith and in the usual manner cause the Trust Equipment to be moved to such point or points on such railroad as shall be designated by the Trustee and shall there deliver or cause to be delivered the same to the Trustee, or the Trustee may at its option keep the Trust Equipment on any of the lines of railroad or premises of the Company or of any Affiliate until the Trustee shall have leased, sold, or otherwise disposed of the same, and for such purpose the Company agrees to furnish without charge for rent or storage the necessary facilities at any convenient point or points selected by the Trustee. It is hereby expressly covenanted and agreed that the performance of this covenant is of the essence of this Agreement and that, upon application to any court having

jurisdiction in the premises, the Trustee shall be entitled to a decree against the Company requiring the specific performance thereof.

SECTION 5.7. The remedies in this Agreement provided in favor of the Trustee and the holders of the Trust Certificates or dividend warrants, or any of them, shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in their favor existing at law or in equity.

ARTICLE VI.

ADDITIONAL COVENANTS AND AGREEMENTS BY THE COMPANY.

SECTION 6.1. The Company hereby covenants and agrees to make payment of the reasonable expenses and compensation of the Trustee, and of all taxes, assessments, and governmental charges herein mentioned for which the Trustee, as such, may be liable and of the rentals and of the other amounts provided for herein.

SECTION 6.2. The Company covenants, agrees, and guarantees that the holder of each of the Trust Certificates shall receive the principal amount thereof, in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, when and as the same shall become due and payable, in accordance with the provisions thereof or of this Agreement (and, if not so paid, with interest thereon at the dividend rate specified in such Trust Certificate, to the extent legally enforceable), and shall receive dividends thereon in like money at the rate specified therein from the date of such Trust Certificate to the date of maturity thereof, at the times and place and otherwise as expressed in the Trust Certificates and in the dividend warrants (and, if not so paid, with interest thereon at the dividend rate specified in such Trust Certificate, to the extent legally enforceable); *provided, however*, that in the case of fully registered Trust Certificates, payments of such principal, dividends, and interest may be made by check without presentation of any such Trust Certificate; and the Com-

pany further covenants and agrees to endorse upon each of the Trust Certificates, without the corporate seal of the Company which is hereby expressly waived, at or before the issuance and delivery thereof by the Trustee, its guaranty of the prompt payment of the principal thereof and of the dividends thereon, in substantially the forms hereinbefore set forth. Said guaranty so endorsed shall be signed in the name and on behalf of the Company by the manual or facsimile signature of its Chief Executive Officer or its President or any of its Vice-Presidents or its Treasurer. In case any officer of the Company whose signature shall appear on said guaranty shall cease to be such officer of the Company before the Trust Certificates shall have been issued and delivered by the Trustee, or shall not have been acting in such capacity on the date of the Trust Certificates, such guaranty shall nevertheless be as effective and binding upon the Company as though the person who signed said guaranty had not so ceased to be such officer of the Company.

SECTION 6.3. The Company covenants and agrees that it will pay and discharge, or cause to be paid and discharged, or make adequate provision for the satisfaction or discharge of, any debt, tax, charge, assessment, obligation, or claim which if unpaid might become a lien or charge upon or against any of the Trust Equipment, except upon the leasehold interest of the Company therein; but this provision shall not require the payment of any such debt, tax, charge, assessment, obligation, or claim so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings, unless such contest will in the judgment of the Trustee materially endanger the rights or interests of the Trustee or of the holders of the Trust Certificates.

SECTION 6.4. The Company covenants and agrees to pay the expenses incident to the preparation and execution of the Trust Certificates and dividend warrants to be issued hereunder, or connected with the preparation, execution, recording, and filing hereof and of any instruments executed under the provisions hereof with respect to the Trust Equipment. The Company with all convenient speed will cause this Agreement and all supplements thereto to be duly filed and recorded with the Interstate

Commerce Commission in accordance with Section 20c of the Interstate Commerce Act, and in Canada. The Company will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, and record any and all further instruments required by law or reasonably requested by the Trustee for the purposes of proper protection of the title of the Trustee and the rights of the holders of the Trust Certificates and of fully carrying out and effectuating this Agreement and the intent hereof; and the Company will promptly furnish to the Trustee certificates or other evidences of filing and recording pursuant to the last preceding sentence, and of any other such filing, registration, and recording, and an Opinion or Opinions of Counsel with respect thereto.

SECTION 6.5. The Company covenants and agrees from time to time to do all such acts and execute all such instruments of further assurance as it shall be reasonably requested by the Trustee to do or execute for the purpose of fully carrying out and effectuating this Agreement and the intent hereof.

SECTION 6.6. The Company covenants that it will make payment of the rentals on account of the Trust Equipment as provided in this Agreement notwithstanding that any of the Trust Certificates and dividend warrants shall have been acquired by the Company or shall not have been presented for payment.

ARTICLE VII.

THE TRUSTEE.

SECTION 7.1. The Trustee hereby accepts the trusts imposed upon it by this Agreement, and shall perform the same as herein expressed.

SECTION 7.2. The Trustee shall apply and distribute the rentals received by it under Section 4.4(B) hereof (other than sums restored to Deposited Cash or Replacement Funds, as the case may be, pursuant to Section 7.8 from rentals received under the provisions of Section 4.4(B)(1)(b) hereof) when and as the same shall be received, and to the extent that such rentals

shall be sufficient therefor, for the purposes specified in said Section 4.4(B).

SECTION 7.3. The Trustee shall cause to be kept at its corporate trust office in the Borough of Manhattan, City and State of New York, books for the registration, exchange, and transfer of the Trust Certificates; and upon presentation for such purpose the Trustee will register or cause to be registered, exchange or cause to be exchanged, or transfer or cause to be transferred, as the case may be, as hereinbefore provided, under such reasonable regulations as it may prescribe, any of the Trust Certificates.

SECTION 7.4. The Trustee shall not be required to undertake any act or duty in the way of insuring, taking care of, or taking possession of the Trust Equipment or to undertake any other act or duty under this Agreement until fully indemnified to its satisfaction by the Company or by one or more of the holders of the Trust Certificates against all liability and expenses. The Trustee shall not be responsible for the filing or recording or re-filing or re-recording of this Agreement or of any supplement hereto. The Trustee may issue and deliver Trust Certificates in advance of such filing or recording. In accepting delivery of and making payment for the Trust Equipment hereunder, or in accepting any cash payable hereunder in respect of Trust Equipment pursuant to Sections 4.7 or 4.9 hereof, the Trustee may rely upon and shall be fully protected by the documents to be furnished to it under Sections 3.4, 4.7, or 4.9 hereof, as the case may be, and shall not be required to make any further investigation of or inquiry concerning the matters covered thereby.

SECTION 7.5. The Trustee shall be under no obligation to take any action for the execution or enforcement of the trust hereby created unless requested thereunto in writing by the holders of not less than 25% in principal amount of the then outstanding Trust Certificates and unless fully indemnified to its satisfaction against expense and liability with respect thereto, and unless also furnished with proof satisfactory to it as to the ownership of the Trust Certificates in respect of which any such request may be made; but this provision, in the absence of such

request, shall not affect any discretion herein given to the Trustee to determine whether it shall take action in respect of any default hereunder or what action it shall take.

SECTION 7.6. No holder of any Trust Certificate or dividend warrant shall have any right to institute any suit, action, or proceeding for the execution and enforcement of the trust hereby created unless, after the aforesaid request in writing by the holders of not less than 25% in principal amount of the then outstanding Trust Certificates shall have been made to the Trustee, and after indemnity satisfactory to it shall have been provided, and after ninety (90) days shall have elapsed after receipt by the Trustee of such request, it shall decline, fail or neglect to institute any proceedings pursuant thereto, nor shall any holder have any such right if a majority in principal amount of the outstanding Trust Certificates shall have directed that no action be taken. Neither the provisions of this Section 7.6 nor the provisions of Section 7.5 hereof shall affect or limit in any way the obligations of the Company under its guaranty hereinabove provided or the rights of the holders of Trust Certificates or dividend warrants to institute suit for the enforcement of payments due under said guaranty in respect of the Trust Certificates or dividend warrants.

SECTION 7.7. The Trustee may for all purposes conclusively assume that the Company is not in default under the terms hereof until notified in writing to the contrary by the holders of at least 10% in principal amount of the then outstanding Trust Certificates, which notice shall distinctly specify the event of default desired to be brought to the attention of the Trustee. As to any fact or matter the manner of determining which is not specifically prescribed herein, the Trustee may for all purposes rely upon an Officer's Certificate as to such fact or matter. The Trustee shall not incur any liability to anyone in relying conclusively on, and in acting upon, any notice, consent, order, certificate, warrant, or other paper or instrument believed by it to be genuine or authentic and to be signed by the proper party or parties.

SECTION 7.8. Any moneys at any time paid to or held by the Trustee hereunder until paid out by the Trustee as herein provided may be carried by the Trustee on deposit with itself, without liability for interest thereon save as may be agreed upon between the Trustee and the Company.

At any time, and from time to time, if at the time there shall be no default under the terms of this Agreement or of any supplement hereto, the Trustee, upon Request, shall invest and reinvest Deposited Cash and Replacement Funds held by it in Government Securities, at such prices, including any premium and accrued interest, as are set forth in such Request, such Government Securities to be held by the Trustee in trust for the benefit of the holders of the Trust Certificates and dividend warrants.

The Trustee shall upon Request, or the Trustee may in the event funds are required for payment against delivery of Trust Equipment, sell such Government Securities, or any portion thereof, and restore to Deposited Cash or Replacement Funds, as the case may be, the proceeds of any such sale up to the amount paid for such Government Securities, including accrued interest.

The Trustee shall restore to Deposited Cash or Replacement Funds, as the case may be, out of rental received by it for that purpose under the provisions of Section 4.4(B)(1)(b) hereof, an amount equal to any expenses incurred in connection with any purchase or sale of Government Securities and also an amount equal to any loss of principal incident to the sale or redemption of any Government Securities for a sum less than the amount paid therefor, including accrued interest. The Company, if not in default under the terms of this Agreement or of any supplement hereto, shall be entitled to receive any profit which may be realized from any sale or redemption of Government Securities.

SECTION 7.9. The Trustee shall not be liable to anyone for any delay in the delivery of any of the Trust Equipment or for any default on the part of the manufacturer or manufacturers thereof or of the Company or for any defect in any of the Trust Equipment or in the title thereto, nor shall anything herein be construed as a warranty on the part of the Trustee in respect

thereof or as a representation in respect of the value thereof or in respect of the title thereto.

The Trustee may perform its powers and duties hereunder by or through such attorneys, agents, and servants as it shall appoint, and shall be entitled to rely upon the advice of counsel (who may be counsel for the Company), and shall be answerable for only its own acts, negligence, and wilful defaults and not for the default or misconduct of any attorney, agent, or servant appointed by it with reasonable care. The Trustee shall not be responsible in any way for the recitals herein contained or for the execution or validity of this Agreement or of the Trust Certificates and dividend warrants (except for its own execution thereof) or for the guaranty by the Company or for any mistake of fact or law.

The Trustee shall be entitled to receive payment of its liabilities and all of its expenses and disbursements hereunder, including reasonable counsel fees, and to receive reasonable compensation for all services rendered by it in the execution of the trust hereby created, all of which shall be paid by the Company, or, in default of such payment, out of the rentals or proceeds or avails of the Trust Equipment. The liabilities of the Trustee wherever referred to herein shall include all liabilities incurred by the Trustee arising out of or in connection with this Agreement or the ownership or use of any of the Trust Equipment other than those liabilities resulting from its own negligence or wilful default, as well as the costs and expenses of defending against any claim of liability in the premises.

The Trustee in its individual capacity may own, hold, and dispose of Trust Certificates and dividend warrants with the same rights which it would have if it were not Trustee.

Any moneys at any time held by the Trustee hereunder shall, until paid out or invested by the Trustee as herein provided, be held by it in trust as herein provided for the benefit of the holders of the Trust Certificates and dividend warrants.

SECTION 7.10. If at any time the Trustee or any successor to it in the trust hereby created shall desire to divest itself of title

to the Trust Equipment, and to terminate its duties and obligations and rights hereunder and under the Trust Certificates, it shall so notify the Company in writing, and the Company shall thereupon designate in writing to the Trustee a national bank or a trust company, qualified as below specified, to serve until a successor is appointed by the holders of Trust Certificates as hereinafter provided, to which may be assigned the entire right, title, and interest of the Trustee or such successor in the Trust Equipment, and in which may be vested the rights, powers, duties, and obligations of the Trustee hereunder and under the Trust Certificates. Upon the transfer and delivery of all moneys, Government Securities, if any, and Trust Equipment held by the retiring trustee, and payment of its compensation, expenses, and liabilities, and the execution by the retiring trustee of such instruments of transfer as may be reasonably requested by the successor trustee, and upon acceptance by the successor trustee of the assignment and of the trust, the retiring trustee shall be relieved and discharged of all the title, rights, powers, duties, and obligations of the trust hereunder and under the Trust Certificates, and the same shall become vested in such successor trustee, and every provision hereof applicable to the retiring trustee shall apply to such successor trustee with like effect as if such successor trustee had been originally named herein in the place and stead of the Trustee. In the event that the Company shall fail to designate such a successor trustee by instrument in writing delivered to the retiring trustee within two weeks from the time of receiving such notice in writing from the retiring trustee, the retiring trustee may thereupon designate such successor trustee (or apply to any court of competent jurisdiction for the appointment of a successor trustee). The foregoing provisions are, however, subject to the right of the holders of the majority in principal amount of the then outstanding Trust Certificates by an instrument in writing to appoint any successor trustee, if such appointment is made within one year from the date of giving of such notice to the Company. The Company shall execute all writings recognizing the transfer of title as aforesaid and all instruments of further assurance or otherwise as reasonably may be requested by the

successor trustee in the premises, and will do and perform any and all acts necessary to establish and maintain the title and rights of the successor trustee in and to the Trust Equipment. Every successor trustee shall be a national bank or a trust company doing business in the Borough of Manhattan, City and State of New York, having a capital and surplus aggregating at least \$35,000,000, if there be such a national bank or trust company willing and able to accept the trust upon reasonable and customary terms and duly qualified to act as such trustee.

SECTION 7.11. Any corporation resulting from any merger or consolidation to which the Trustee or any successor to it shall be a party, or any corporation in any manner succeeding to all or substantially all of the business of the Trustee or any successor trustee, provided such corporation shall meet the requirements of the last sentence of Section 7.10 hereof, shall be the successor trustee hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

SECTION 7.12. In determining whether the holders of the requisite aggregate principal amount of Trust Certificates have concurred in any direction, notice, request, consent, or waiver under this Agreement, Trust Certificates which are owned by the Company or an Affiliate shall be disregarded and deemed not to be outstanding for the purpose of any such determinations, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, notice, request, consent, or waiver only Trust Certificates which the Trustee knows are so owned shall be so disregarded.

ARTICLE VIII.

MISCELLANEOUS.

SECTION 8.1. Any request or other instrument provided by this Agreement to be signed or executed by holders of Trust Certificates may be in any number of concurrent instruments of similar tenor, and may be executed by such holders in person or by an agent or attorney appointed by an instrument in writing.

Proof of the execution of any such request or other instrument, or of a writing appointing any such agent or attorney, or of the holding by any person of Trust Certificates, shall be sufficient for any purpose hereof and shall be conclusive in favor of the Trustee with regard to any action taken by the Trustee under such request or other instrument if made in the following manner, *viz.*:

(a) The fact and date of the execution by any person of any such request or of any other instrument in writing may be proved by the affidavit of a witness to such execution, or by the certificate of any notary public or of any other officer authorized to take acknowledgments of deeds to be recorded in the State where the acknowledgment may be taken, under his official seal, certifying that the person signing such request or other instrument acknowledged to him the execution thereof. Where such execution is by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association, or partnership, such certificate or affidavit shall also constitute sufficient proof of his authority.

(b) The amount and serial numbers of Trust Certificates with dividend warrants not registered as to principal held by any person executing any such request or other instrument as a holder of Trust Certificates, and the date of his holding the same, may be proved by a certificate executed by any trust company, bank, or other depository, wheresoever situated, whose certificate shall be deemed by the Trustee to be satisfactory, showing that at the date therein mentioned such person had on deposit with or exhibited to such depository the Trust Certificates numbered and described in such certificate. The Trustee may presume the continuance of any such holding unless and until it shall receive proof satisfactory to it to the contrary.

(c) The ownership of fully registered Trust Certificates and Trust Certificates with dividend warrants, registered as to principal, shall be determined by the registry books to be kept as provided in Section 7.3 hereof.

SECTION 8.2. Nothing expressed or implied herein is intended or shall be construed to confer upon or to give to any person, firm, or corporation, other than the parties hereto and the holders of

the Trust Certificates and dividend warrants, any right, remedy, or claim under or by reason of this Agreement or of any term, covenant, or condition hereof, and all the terms, covenants, conditions, promises, and agreements contained herein shall be for the sole and exclusive benefit of the parties hereto and their successors and of the holders of the Trust Certificates and dividend warrants.

SECTION 8.3. Except as otherwise provided herein, the provisions of this Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their successors and assigns.

SECTION 8.4. All demands, notices, and communications hereunder shall be in writing and shall be deemed to have been duly given if personally delivered or mailed by registered mail (a) in the case of the Company, at 2 North Charles Street, Baltimore, Maryland 21201, or at such other address as may hereafter be furnished to the Trustee in writing by the Company, and (b) in the case of the Trustee, at 40 Wall Street, New York, New York, 10015, or at such other address as may hereafter be furnished to the Company in writing by the Trustee. An affidavit by any person representing or acting on behalf of the Company or the Trustee as to such mailing, having the registry receipt attached, shall be conclusive evidence of the giving of such demand, notice, or communication.

SECTION 8.5. This Agreement has been simultaneously executed in several counterparts each of which shall be deemed to be an original, and all such counterparts shall together constitute but one and the same instrument.

SECTION 8.6. This Agreement shall be deemed to have been executed on the date of the acknowledgment thereof by the officer of the Trustee who signed it on behalf of the Trustee.

SECTION 8.7. The provisions of this Agreement, and all the rights and obligations of the parties hereunder, shall be governed by the laws of the State of New York; *provided, however*, that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.
